PERSONAL PROFILE

- Date of Birth: 02-06-2000
- Nationality: Sri Lankan

Hardworking and ambitious undergraduate seeking an internship position to gain experience in the corporate world of IT.

I am currently following the Software Engineering degree offered by the University of Westminister at the Informatics Institute of Technology. I am aiming to use the knowledge that I have acquired from my coursework as well as self-study, with my hard work to satisfy my internship at your organization and also eager to learn new things.
